# The Cover-up General (De doofpotgeneraal): publications and mentions

**415 publications and mentions**, 2014–2026: 364 are listed below; 51 automated copies are not listed individually (see ‘Not included’). Compiled by the author; items written or published by the author or his publishers are not included. Where the item is still online, preserved in the Internet Archive or kept as a copy on www.dedoofpotgeneraal.nl, the title links to it. Titles in other languages are followed by an English translation in brackets. Status: 18 November 2026. Source: www.dedoofpotgeneraal.nl

**Reprints.** The same article often appears in more than one outlet, and each is listed separately because it reaches its own readers. In the Balkans, news reports are routinely republished by other outlets: about 65 of the 125 items from Bosnia and Herzegovina, Serbia, Montenegro, North Macedonia, Kosovo and Albania are such reprints. Dutch regional newspapers within the same publishing group, such as those of Mediahuis and DPG Media, share their journalism and carry the same article in several titles.

**Reference works.** Entries in Wikipedia and similar reference works are listed because they mention the book; they are not independent reporting.

**Not included.** The 51 automated copies counted above are not listed individually: copies of a Listverse list and of Wikipedia articles on content-farm and mirror sites, and machine-generated dictionary pages that quote Wikipedia. They remain in the author’s archive.
